WRITTEN DESCRIPTION

This station consists of a brass rivet set on the roof of a low-level circular water tank as shown. Access to the roof is by a fixed ladder. The tank is approx. 4 mts in height. Three tripod leg supports have been drilled in the tank roof. The rivet is set 2.0mts from the circumference of the tank and perpendicular to the centre of the access ladder.

Note: All measurements shown are in metres. Sketch is not to scale.
